LAKE SUMTER TRANSMISSIONS

CELEBRATING YEARS OF SERVICE

46

For more than four decades, Lake Sumter Transmissions & Auto Repair has been a trusted name in the community, built on a foundation of integrity, excellence and a commitment to doing what's right for our customers and our team. We've always had one mission: to be the repair shop of choice for our customers, the employer of choice for our coworkers and a model of professionalism in our industry.

As we celebrate 46 years of service, we're proud to reflect on the continued growth of our company. Our Fruitland Park location, now celebrating its first anniversary, has allowed us to bring the same trusted values, exceptional service and dedication to quality automotive care to even more of our neighbors.

Our Certified Service Technicians are highly qualified, experienced and equipped with the latest technologies to accurately diagnose and repair your vehicle. Our Service Advisors and Managers are always happy to help you find the best solutions to keep your vehicle safely on the road.

Thank you for trusting us with your vehicles and for being part of our journey.
