CELEBRATING **45** YEARS OF SERVICE & A NEW BEGINNING

For more than four decades, Lake Sumter Transmissions & Auto Repair has been a trusted name in the community—built on a foundation of integrity, excellence, and a commitment to doing what's right for our customers and our team. We've always had one mission: to be the repair shop of choice for our customers, the employer of choice for our coworkers, and a model of professionalism in our industry.

As we celebrate 45 years of service, we're proud to announce the opening of our second location—Lake Sumter Auto Repair in Fruitland Park (formerly Delta)—bringing our same trusted values and exceptional care to even more of our neighbors.

Our Certified Service Technicians are highly qualified, experienced, and equipped with the latest technologies to accurately diagnose and repair your vehicle. Our Service Advisors and Managers are always happy to help you find the best solutions to keep your vehicle safely on the road.

Thank you for trusting us with your vehicles—and for being part of our journey.
